Notice — PLEASE READ THESE INSTRUCTIONS CAREFULLY

Be sure you know the correct prefix and number of the Telephone wanted

Then: **REMOVE THE RECEIVER FROM THE HOOK.** Place the finger in the dial hole over the letter prefix of the number wanted and turn the dial till the finger touches the stop. Hold the finger against the stop until the trigger clicks. In the same way, pull the **figures** of the number, one after the other. The bell of the called telephone then rings in short periods until answered. If the called line is busy, a "busy-signal" tone will be heard. Hang up the receiver and wait a few minutes before calling that number again

IMPORTANT

If you wish to call another number, or if you **make a mistake in calling,** hang up the receiver and take it down again before re-starting to call. **Hang the receiver on the hook when through talking.**

To ask for Information, call C01.

To report the telephone out of order, call as follows: Pull first the prefix letter of the telephone complained of, then the figures 02. For example:

If the prefix letter is C, call C02
" " " " J, " J02
" " " " M, " M02
" " " " S, " S02

DR. WONG HIM—

DEAR SIR:

For several months I suffered with terrible agonies of pain in my stomach, not being able to eat or retain any food. I got no relief until I was recommended to you. After the first dose of your herb medicine I got relief, and now after several months' treatment I feel entirely cured of my trouble. During my treatment with you I have gained 30 pounds.

I tender you my most sincere thanks and remain

Most respectfully yours,

MRS. E. THOMAS, Antioch, California.

DR. WONG HIM

TOLL SERVICE

Toll service between San Francisco and Oakland and Emeryville is now offered patrons of the Home Telephone Companies.

To call for an Oakland or Emeryville subscriber, remove the receiver from the hook and turn the dial **ONCE**, using the **O** (or Long Distance) digit.

The toll operator will answer. Tell the operator **YOUR** number and the number of the subscriber whom you wish. The connection will be made at once, while you wait. Hang up the receiver when through talking.

If you do not know the number of the desired subscriber, the operator will get it for you and make the connection.

RATE TO ABOVE POINTS

Fifteen cents for three minutes and five cents for each additional minute.

CONTRACT DEPARTMENT { C 5519 / C 5522

Notice — PLEASE READ THESE INSTRUCTIONS CAREFULLY

Be sure you know the correct prefix and number of the Telephone wanted

Then: **REMOVE THE RECEIVER FROM THE HOOK.** Place the finger in the dial hole over the letter prefix of the number wanted and turn the dial till the finger touches the stop. Hold the finger against the stop until the trigger clicks. In the same way, pull the **figures** of the number, one after the other. The bell of the called telephone then rings in short periods until answered. If the called line is busy, a "busy-signal" tone will be heard. Hang up the receiver and wait a few minutes before calling that number again

IMPORTANT

If you wish to call another number, or if you **make a mistake in calling,** hang up the receiver and take it down again before re-starting to call. **Hang the receiver on the hook when through talking.**

To ask for Information, call C01.

To report the telephone out of order, call as follows: Pull first the prefix letter of the telephone complained of, then the figures 02. For example:

If the prefix letter is C, call C02
" " " " J, " J02
" " " " M, " M02
" " " " S, " S02
